Dear Parents & Students,

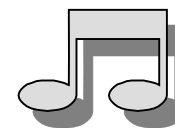

Thank you for making a commitment to the Haverford High School Band or Orchestra. We are **BOPs - Band and Orchestra Parents** – a music parent booster organization, created over 80 years ago, that supports the Haverford School District music program. The secret to our success is YOU!

## What Does BOPs Do?

BOPs is a group of parents and adults that organizes events and trips to enrich our student musicians and color guard, provides chaperones and support for those outings, recognizes our students and raises money for activities related to our music students. Without BOPs, many musical activities would be underfunded, or impossible. In this time of shrinking budgets and escalating costs, BOPs supports the Band and Orchestra by raising money to support our award-winning music programs.

## What does BOPs do with funds raised?

- Purchase band, orchestra and color guard uniforms for Grades 7 - 12
- Purchase select instruments (bass, sousaphones, tubas, percussion, etc.)
- Repair and maintain select instruments
- Provide snacks and water at events and competitions
- Subsidize transportation to music events
- Subsidize drill instruction for sectionals
- Sponsor two scholarships for graduating seniors each year
- Senior Recognition Nights and Banquet

## There are many ways to support our Band and Orchestra programs:

We need volunteers to help with various events during the year. Many activities require only a few hours of your time. Volunteering your time is also a great way to stay involved in your teen’s active life. **Please help BOPs by volunteering. Volunteer interests are at the bottom of the online registration and information about volunteer opportunities are posted on our website ([hhsmusic.org](http://hhsmusic.org)).**

Visit our website, [www.hhsmusic.org](http://www.hhsmusic.org), to stay up to date. It is a great source of information, including forms, fundraising updates, pictures, FAQ’s and more.

Thank you in advance for your support. Together we can make this a great musical year for our students! Feel free to contact us if you have any questions or concerns.
