

Concert Attire for Haverford Middle School Instrumental Students:

For all School District supplied items, students are fitted in school, during September/October. Uniforms are distributed before the student's first performance. Students must take proper care of their uniform – they are surprisingly expensive to replace. Immediately place on hanger after use; spot clean, and dry-clean, as needed. Make sure buttons, snaps and zippers are in good working order, several days before a concert. Contact Wilma Frueh for refits/repairs wilmaf@mac.com.
